## EDUCATION

B.Tech Computer Science, State University  
CGPA: 8.33/10  
2019 - 2023

## SKILLS

Python, Java, SQL, React, Docker, Git, Machine Learning, FastAPI

## EXPERIENCE

Software Engineering Intern | TechCorp Inc.

June 2022 - August 2022

- Built REST APIs using FastAPI and PostgreSQL
- Deployed services with Docker on AWS
- Reduced API response time through query optimization

## PROJECTS

Resume Parser Tool

- Developed a PDF resume parser using Python and PyMuPDF
- Implemented skill extraction with regex and section detection

E-Commerce Dashboard

- Built a React dashboard with data visualization
- Integrated with REST backend APIs
